

Gerald McIsaac

Author, Researcher and Man of the People

Trump and North Korea

The most recent development in the ongoing conflict between the American imperialists and Korea is the launch of a ballistic missile, by the Koreans, which is considered to be capable of reaching the continental United States. As a result of this, a great many people are deeply concerned about the possibility of war with [...]

Trump Presidency and Scientific Socialism

It has been less than a year since Trump was elected president and his administration has already lived up to the expectations of almost everyone. It is, without doubt, the most corrupt administration since that of Richard Nixon. The only difference is that Trump and his flunkies are proving themselves to be far [...]

Concerning Corrections

In earlier writings, I have maintained that the pterodactyl prefers to sit on the top branches of spruce trees. That is the very thing I have been told by eye witnesses, but that is not strictly true. In fact, they sit on the top stems of spruce trees, not the top branches. They push the [...]

Life With Trump as President

As I write this, the worst nightmare of various working class people has come true. Donald Trump is now the official president of the United States. Millions of people are now fighting the urge to slash their wrists. The idea is that oblivion may be preferable to facing the reality of such a [...]

Concerning Water Witching

As is well known, there are a great many people who believe that underground reservoirs of water can be detected by simply holding two wands of willow, one in each hand, crossing the tops of the willow and walking around the surface of the ground. At the point where the water is closest to the [...]

Mans Best Friend

It has often been said that dogs are mans best friend, and there is some truth to this. Whereas other domesticated animals, such as cattle, horses, water buffalo, goats, sheep, geese and ducks, have been put in the service of man, either as draft animals or as a food source, sometimes both, dogs are frequently [...]

Concerning Abraham Lincoln

Since the publication of my book The Second American Revolution, it has been suggested that I have not been entirely fair with that president. With that in mind, I have decided to re-examine the man and the time in which he lived. The fact is that in 1861, the United States of America was deeply [...]
